BLUNIK

WHO WINS?

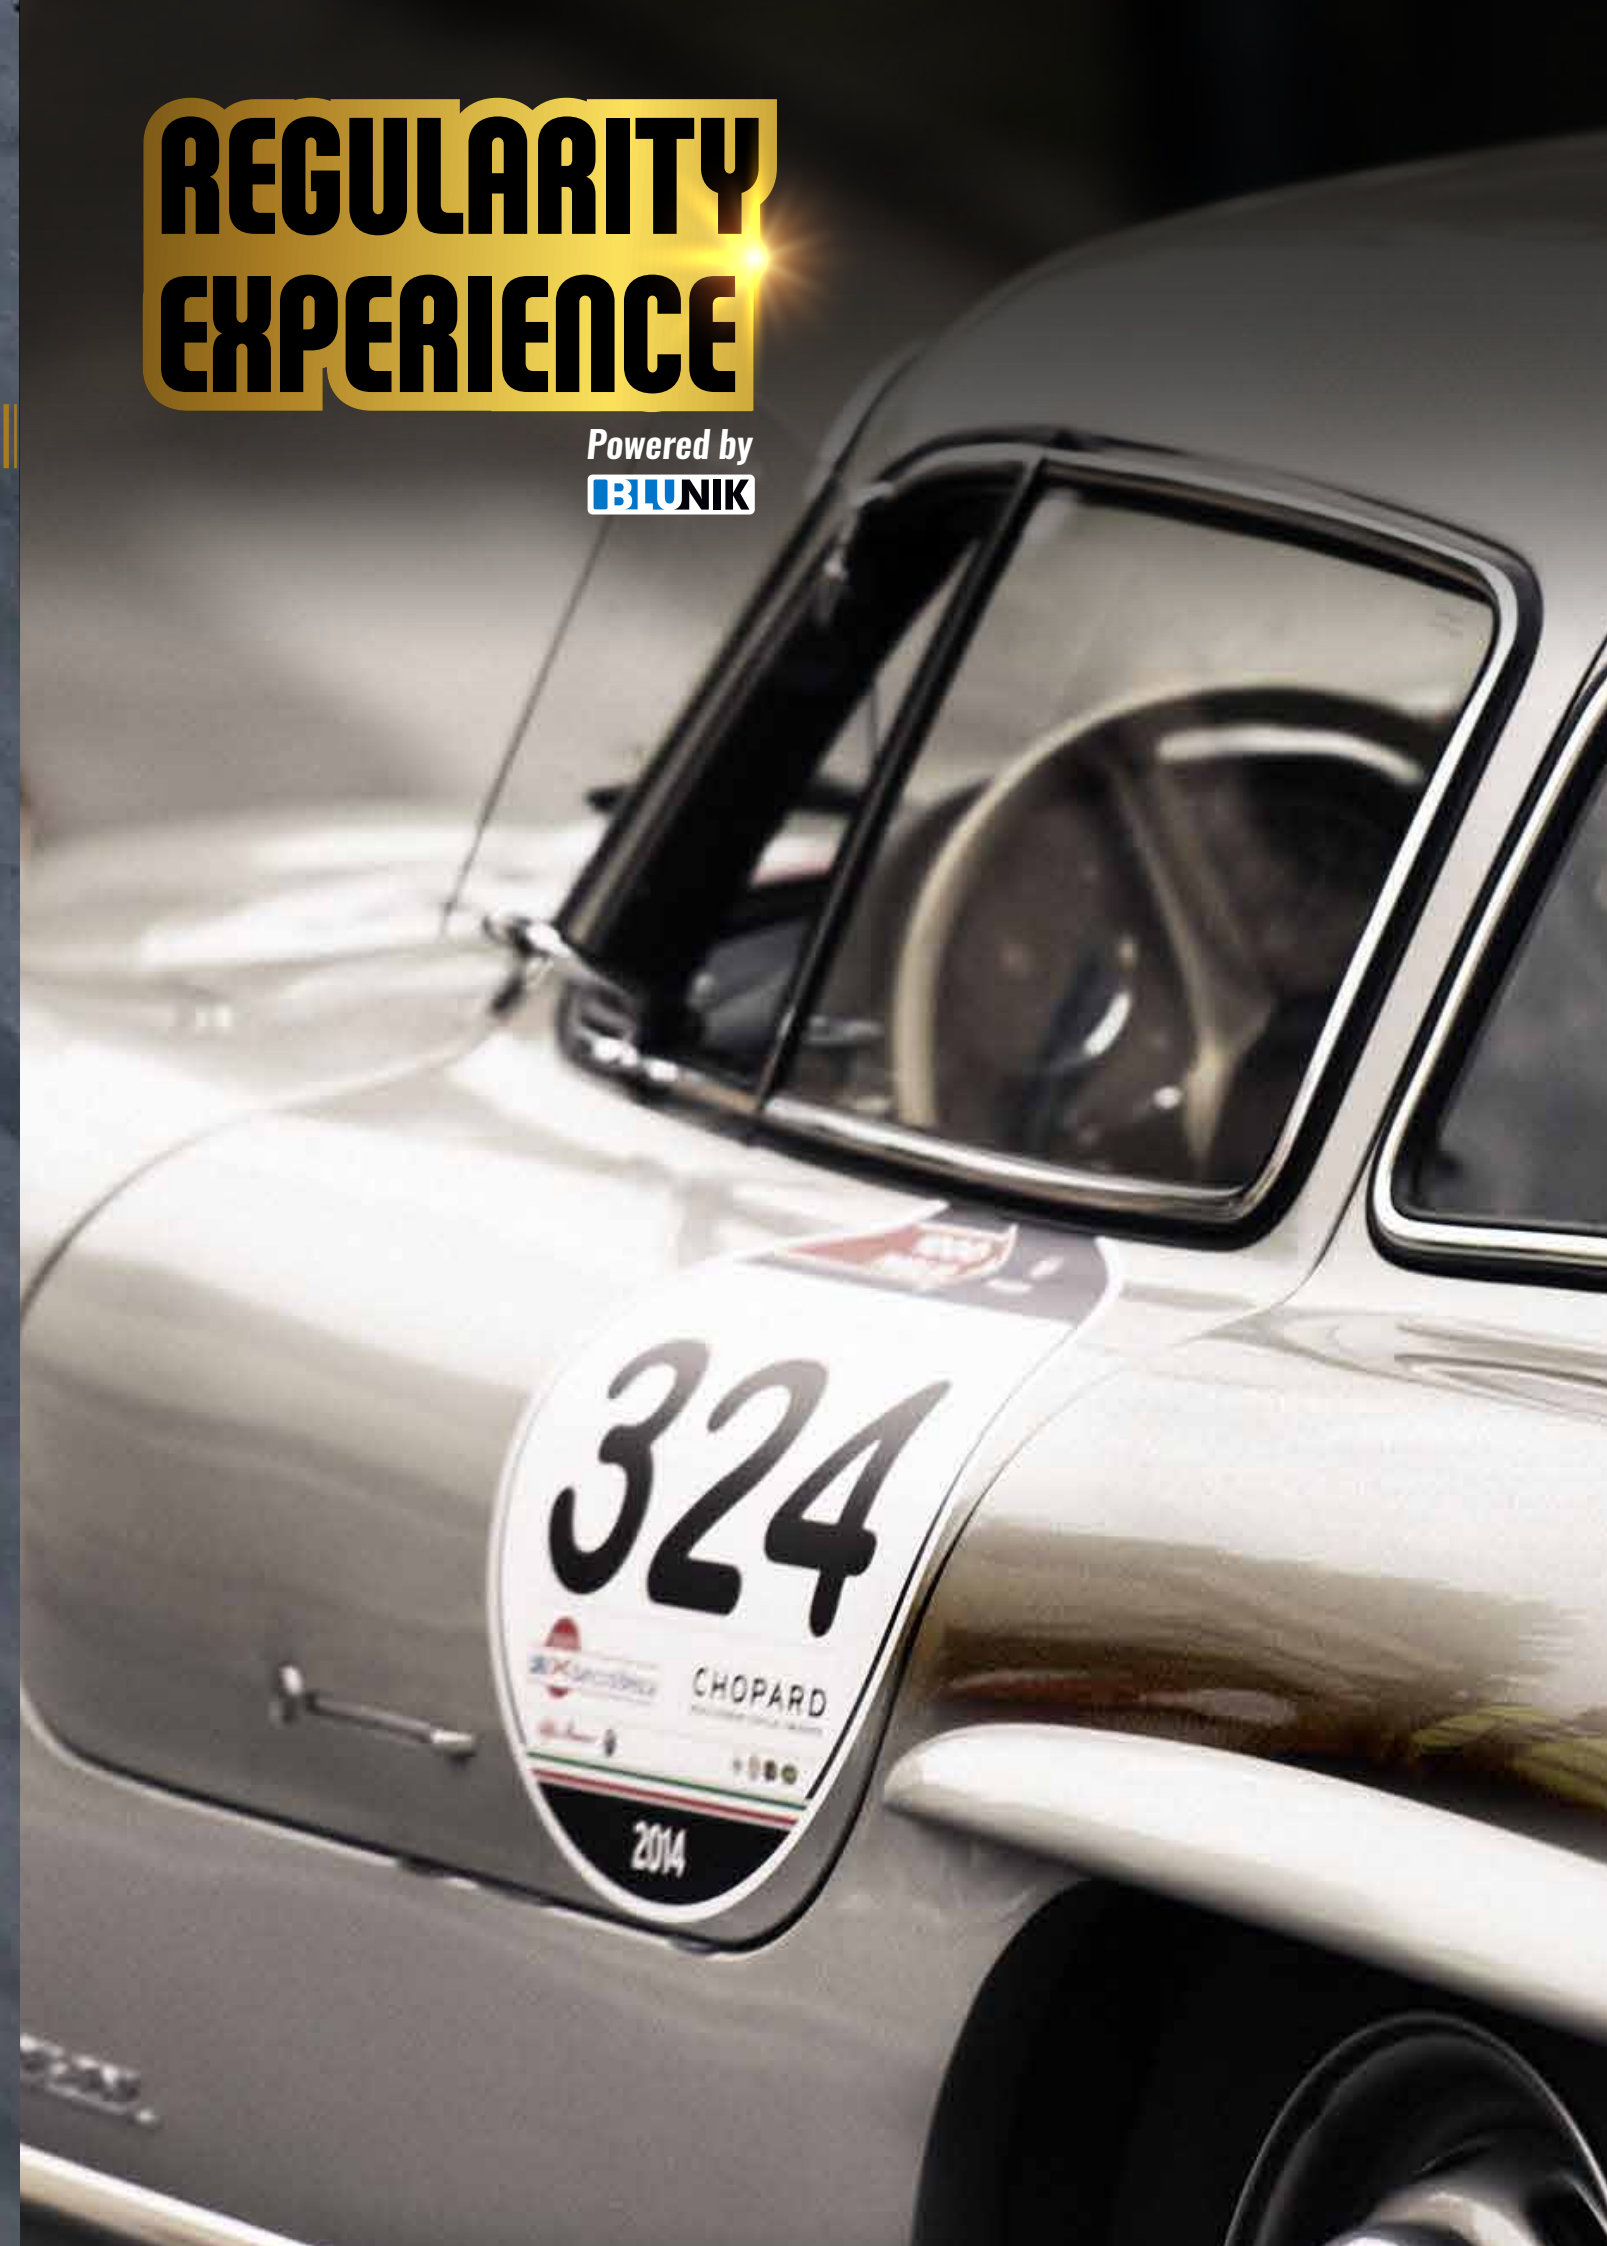

The team that most closely sticks to the stated speed at all times! We repeat... at all times! The longer you spend doing it well, the fewer points you accumulate.

The team with the fewest points wins.

**The BLUE LED is your ally.

DO YOU WANT TO EXPERIENCE THE GREAT REGULARITY RALLIES FOR CLASSIC CARS?

With Regularity Experience you will enjoy driving the regularity stages of the Rallye Monte-Carlo Historique, feel the sportiness of the Rally de Portugal Historico, and experience the driver-navigator rapport in the style of the winners of the best regularity rallies in Europe.

IN WHICH EVENTS CAN THE “REGULARITY EXPERIENCE” BE USED?

In sporting rallies, touristic rallies, hill climbs, regularity events and also in alternative fuel events.

When classic cars are the centre of attention, the countryside is amazing and the roads are a pleasure, Regularity Experience provides competitiveness and the opportunity of reaching the podium.

«AN EXCLUSIVE, NEW
EXPERIENCE,
DESIGNED SO THAT
CLASSIC CARS CAN BE
ENJOYED.»

HOW DOES IT WORK?

The organisation will install a **Blunik-RX** device in your car in just a couple of minutes. No cables, no Velcro. Clean and respectful of your classic car.

At each stage the race official will signal the start.

You will see the countdown and the regularity markers on the **Blunik-RX** device.
